MY OLD REFERENCE: REF_ECTHRWATCH_1_McDonalds_frauds_and_money_laundering
MY NEW REFERENCE: USA-v-McDonalds-pattern-of-racketeering-activity

Dear Messrs. Rogalski and Manjarrez,

On April 28, 2022, 22:16 Beijing time (+0800), I sent an email to Assistant Legal Attaché Adam Rogalski to inform the FBI that I would assign the reference "REF_ECTHRWATCH_1_McDonalds_frauds_and_money_laundering" to "*the case regarding the frauds and money laundering committed by McDonald's Corporation and/or its subsidiary companies and/or its suppliers*". You can visualize the email I sent to Mr. Rogalski by clicking on the following link:

<https://www.federal-bureau-of-investigation.com/open-letters/2022-04-28-email-sent-to-adam-rogalski-state-department-fbi-mcdonalds/>

(Federal-Bureau-of-Investigation.com is NON-OFFICIAL website on the FBI)

I am changing my reference number for this case from REF_ECTHRWATCH_1_McDonalds_frauds_and_money_laundering to **USA-v-McDonalds-pattern-of-racketeering-activity**.

Since I realized that McDonald's Corporation and its subsidiary companies, and its suppliers, have engaged in, and/or condoned, a pattern of racketeering activity as defined in 18 U.S. Code § 1961, I believe the reference **USA-v-McDonalds-pattern-of-racketeering-activity** better reflects the crimes committed by McDonald's Corporation, its subsidiary companies, and their accomplices.

In the next email, I will send you a two-page Statement of Facts Mr. Lehman, an American lawyer based in Beijing, asked me to write.

This email is BCCed to French law professor Yves Strickler. I will keep BCCing future communications to Professor Strickler.

Yours sincerely,
