Delivery has failed to these recipients or groups:

Douglas.Goare@eu.mcd.com

The address you sent your message to wasn't found at the destination domain. It might be misspelled or it might not exist. Try to fix the problem by doing one or more of the following:

1. Send the message again, but before you do, delete and retype the address. If your email program automatically suggests an address to use, don't select it.
2. Clear the recipient AutoComplete cache in your email program by following the steps in this article: [Status code 5.1.10](#). Then resend the message, but before you do, be sure to delete and retype the address.
3. Contact the recipient by some other means (by phone, for example) to confirm you're using the right address. Ask them if they've set up an email forwarding rule that could be forwarding your message to an incorrect address.

Diagnostic information for administrators:

To: Douglas.Goare@eu.mcd.com

Mr. Goare,

Even though I've never contacted you in person before, I believe it's impossible for you not to be aware that I am accusing McDonald's of having committed multiple massive frauds in different countries within the European Union.

Therefore, I am accusing you of being a white-collar criminal.

I've created the website white-collar-criminals.com and you will be listed on it from now on.

I am offering you a right of reply but you must use it within 48 hours.

The criminal complaints which have been filed don't only target McDonald's corporation. They also target individual executives like Mr. Easterbrook, Ms. Santana (who is additionally suspected of insider trading), Mr. Petit, Mr. Hicks etc.

The criminal complaint has also been filed against the French law firm Péchenard which has taken part in the fraud. The huissier de justice (a French official) is also targeted by the criminal complaint since he knew about the fraud since at least 2012.

Also, I am ordering you to cease immediately to arrange the ongoing fraud which is happening in Germany as of right now and which is in direct violation of the European directive 2005/29/CE.

Best regards,

Vincent Le Corre
